

**PUBLIC WORKS COMMITTEE**  
**June 26, 2018**

PRESENT: Chairperson Mixon, Members Hegy, Carroll, Wintringer  
ALSO PRESENT: City Administrator Volkert, City Engineer Schall

Call to Order – Chairperson Mixon called the meeting to order at 6:30 p.m. in the Common Council Chambers of Hartford City Hall, 109 North Main Street.

Roll Call – All members of the Committee were present.

Public Comment Period – None.

2018 Construction Projects – City Engineer Schall provided an update on various reconstruction projects that are in process throughout the City.

Sidewalk on N. Wacker Drive Bridge Project – City Engineer Schall provided background to this item, explaining that the DOT has granted the City funds through the Wisconsin Local Bridge Program, however the proposed designs from Strand Associates exceeds the funds and expectations provided by the DOT. There are three options being presented: 1. The City request to keep sidewalk and ask for additional funds for this project. 2. The City decides that the sidewalk is not needed on the bridge, knowing that the project will still exceed the funds provided and the City would still need to request additional funds. 3. The City decides to keep the sidewalk and pay for any costs exceeding the approved funding with City funds.

Alderpersion Hegy suggested making a separate bridge just for pedestrians. Depending on costs, it may be cheaper to do this, plus it would keep pedestrians away from traffic. City Engineer Schall will look into this. Alderpersion Wintringer suggested to keep look into this as well, but to keep it as an alternate option if option 1 was denied by DOT.

MOTION by Alderpersion Carroll, and seconded by Alderpersion Hegy recommending to The Common Council to accept option 1. MOTION CARRIED.

Adjournment – MOTION by Alderpersion Wintringer, and seconded by Alderpersion Carroll for adjournment. MOTION CARRIED.

Respectfully submitted,  
Lori Hetzel, City Clerk
