6.) OVERTIME

(Note: Staffing was functionally one position below our authorized levels in the Patrol Division due to a prolonged medical leave. We anticipate that officer's return in mid-June. We have now successfully completed the training for our newest part-time Communications Officer. However, we will remain functionally short one communications position due to a newly-announced retirement in July.)

7.) CASES OF INTEREST

- ◆ On 05-11-14, after initiating a traffic stop on a vehicle with expired plates, the K9 unit was deployed on the vehicle and alerted to it. No items of contraband were located in the vehicle. However, investigation at the scene led to the driver of the vehicle admitting to officers that they had just shoplifted the groceries found in the vehicle from Rueben's County Market. The 21-year-old Hartford woman was cited for shoplifting.

Respectfully submitted,

David A. Groves
