

## **DISPOSAL OF ALL TVs AND COMPUTER MONITORS**

**WHY:** Wisconsin Act 50 banned electronic devices from Wisconsin Landfills in 2009; Goodwill Stores discontinued accepting tube TVs on December 1, 2014

**WHAT DOES THE CITY OFFER?** A drop-off site at the **Recycling Center** for all TVs and Computer Monitors which are then picked up by Legacy Recycling (currently at \$20.00 per TV or Monitor). They process them through their R2 certified facilities so they will not end up in a landfill. **YOU MUST BE A CITY OF HARTFORD RESIDENT TO DROP OFF TVs & MONITORS AT THE RECYCLING CENTER.**

**CURRENT COST:** **\$20.00** per Tube TV or Computer Monitor (Includes Curbside or Recycling Center Drop Off). All sizes are **included – Even Flat Screen TVs and Computer Monitors.** Cost is subject to change if City's contractor increases their charge to City - The price is scheduled to increase on January 1, 2017 to \$25.00/TV or Monitor.

**CURBSIDE PICKUP:** If your TV is too large/heavy for transporting to the Recycling Center, City residents can schedule a Friday curbside pick-up. The cost is \$20.00; a **YELLOW STICKER** which must be purchased at the Finance Counter at City Hall before 4:15 pm on Thursdays is needed in order to get curbside pickup scheduled for Fridays. You sign up when you purchase the sticker. Call 673-8225 or 673-8261 with questions.

**BEST BUY Disposal fee** for all TVs 32" or less is now **\$25.00/TV or Monitor** as of February 1, 2016. They do not take larger TVs.
