

RECYCLING POLICY:

CURBSIDE RECYCLING ITEMS

Co-mingle the following items in the RECYCLING CART:

- Aluminum Cans
- Cardboard
- Glass
- Newspapers & Magazines
- Plastic (SPI CODE 1-7)
- Steel (Tin) Cans

Place above items out by 7:00 am **EVERY OTHER WEEK** on your regular garbage day, per the recycling calendar available at City Hall and the Annual Brochure. **Use of a CITY RECYCLING CART is required** for curbside pickup.

RECYCLING CENTER ITEMS

City residents are required to deliver the following items to the Recycling Center:

- Car Batteries
- Large Cardboard (flattened)
- Leaves
- Garden Waste & Grass Clippings
- Used Motor Oil, Oil Filters & Anti-Freeze
- Tires (No Rims)*
- TVs & Monitors (\$20/each)
- Appliances & Metal Items**

**City residents must pay a \$5 per tire disposal fee at the Recycling Center.
Commercial businesses must pay \$10 per tire.*

***City residents may arrange for Curbside Appliance pick-up. Cost is \$15 per appliance. Pay fee at City Hall Cashier's Counter. With receipt in hand schedule your APPOINTMENT for curbside pick-up at the Engineering Counter. Call 673-8261 if you have a question.*

RECYCLING RULES:

Glass, aluminum, tin and steel cans, newspapers, magazines, cardboard, office paper and plastics shall be mixed together in your ADVANCE DISPOSAL RECYCLING BIN. All other materials shall be placed in a trash container (provided it meets **garbage policy requirements**).

Aluminum Cans: Rinse. May be crushed. No other aluminum items such as foil or bottle caps.

Plastic: Plastic containers must be marked SPI #1-7 and include:

- One gallon and one-half gallon milk bottles
- One gallon water bottles
- Two gallon water dispensers
- Liquid laundry containers
- Windshield solvent bottles
- One, two and three liter soda bottles

Rinse plastic containers clean and discard lids in trash.

Not accepted are: Styrofoam, plastic cups and film, hard plastic toys, pails, etc..., medicine bottles & syringes.

Steel (Tin) Cans: Food and beverage cans only. Rinse cans. Remove labels. No aerosol or paint cans accepted.

Newspapers/Magazines: No bathroom waste paper, carbon paper, cellophane, cloth, cork, foil, polystyrene, anything Styrofoam, anything waxed, candy wrappers, napkins, paper cups, paper food containers, photographs, fiberboard, labels and label backings.

DO NOT RECYCLE STYROFOAM. It is garbage

NO MEDICAL WASTE OR HAZARDOUS WASTE IS ACCEPTED CURBSIDE!
