**FINAL ESTIMATE OF JANUARY 1, 2018 POPULATION**

Dear Municipal Clerk:

The final estimate of the January 1, 2018 population for the City of Hartford in Washington County is 15,377.

Approximately 11,440 of the estimated population for the City of Hartford are of voting age. This approximation is a courtesy estimate that helps you comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the 2010 Census proportion of persons age 18 and over to the final January 1 estimate, and then multiplying the result by a state-wide factor to account for the general aging of the population. Please note that, if you have an adult correctional facility in your municipality, its population is included in this voting-age estimate.
