

WE NEED YOUR INPUT!

Please take our Parks & Recreation Survey

The City of Hartford is conducting a survey of park and recreational facilities as part of our update to the City's Comprehensive Outdoor Recreation Plan. As a member of our community we invite you to take the online survey using the link below.

A link to the survey is also available through the City of Hartford website. The survey will be available through May 11, 2018.

Online responses are strongly preferred; however, hard copies of the survey are also available at the Recreation Center and the Library. Please return completed surveys to the Recreation Center by May 11, 2018. For more information contact the Parks and Recreation Department at 262-670-3730.

SAVE THE DATE!

A public meeting will be held Tuesday May 8 from 5-7 PM at the Recreation Center to obtain feedback on desired park and recreation improvements within the City.
