

This is Hartford.

We're a vibrant city masquerading as a small town. We know our neighbors, smile at strangers and aren't afraid of hard work or a little snow. We dig old cars and playing outside. We're just as happy hitting the hiking trails as we are taking in a play. We are proud to be ranked as one of the safest and fastest-growing Wisconsin cities. Loving our history, building for the future.

OPEN FOR BUSINESS

Start or grow your business here! Our business-friendly environment is why three global businesses make Hartford their headquarters. We have three large industrial parks, perfectly positioned near major highways and rail lines. Our downtown area boasts an eclectic mix of retail, restaurant, and wellness businesses with ample parking, ongoing improvement efforts, and room for expansion.

Hartford. It's happening here.

LIVE.

With options ranging from single family homes to duplexes, condos, and upscale downtown apartments, Hartford is the perfect spot to put down roots. Families love our top-notch schools, safe environment, and family-friendly activities and amenities. And EVERYONE loves our mix of indoor and outdoor attractions, and community events!

WORK.

Seven of Washington County's largest employers are located in Hartford, making our community the area's top industrial employer. Competitive wages plus our lower cost of living adds up to a perfect place for you to work.

PLAY.

You will never be bored in Hartford! We have a full slate of events to experience. Weekly farmer's markets, a nostalgic Christmas Parade, Classic Car Show and more bring the community together, making Hartford a great place to work, live and play.

VISIT.

Hartford truly has something for everyone. Take in a show at the Schauer Arts Center, stroll through Wisconsin's Automotive Museum or explore the shops of downtown. Looking to get outside? Hike or swim at Pike Lake State Park or play a round of golf at one of three nearby courses!
