

From the City of Hartford

Department of Public Works:

RECYCLING NOTICE

The Director of Public Works is responsible for enforcing the City of Hartford's recycling Ordinance. The goal of the City's Compliance Assurance Plan is not to punish code violators, but rather to improve compliance through effective enforcement strategies.

Residents **DO NOT** need to separate cardboard and paper recycling items from glass, plastic, metal and aluminum items in **VEOLIA RECYCLING CARTS** curbside.

DO NOT PLACE YOUR RECYCLING CART DIRECTLY NEXT TO YOUR GARBAGE CONTAINERS OR OTHER OBJECTS (SUCH AS A LIGHT POLE) THAT WILL IMPEDE THE MECHANISM THAT LIFTS THE CART.

PLEASE READ THE BROCHURE THE CITY MAELS TO YOU EACH JANUARY AND FOLLOW THE CITY RECYCLING RULES AND REQUIREMENTS.
