Dear Police Chief Groves,

On Sunday morning, Feb. 2, at 10:45 AM - I called 911 for help in regard to being pinned against the door frame of the garage with my car.

An officer came within a few minutes. I do not know his name or number. I want you to know he was very helpful and kind to me. I wanted to give him a gift of money - but he would not take it. He was so understanding.

Yours truly,
Aurelia Balleray

Letter to the editor:

We want to express our thank you to the Hartford Police Dept. for making the funeral of Don Multhauf an expression of his love for antique tractors when more than 40 tractors paid their respect to Don and Bonnie's family and friends.

The Police guided our tractor procession from St. Kilians to the cemetery and then thru Main Street so we could take Don's beloved Massey Ferguson back home after the funeral. Our club then paraded back to St. Kilians to be together for the meal and we are sure that Don was with us all the way. The smile on people's faces and picture taking would have warmed Don and Bonnie's hearts as it did us who will miss our club member and friend. It gives us a reflection of our lives to be more caring, loving and respectful of other people. It was a very humbling experience.

He always wanted everyone to join in the events for fun and was a great inspiration for the club. He often was the last tractor with his orange flags flying high for everyone to see and know all was well.

Thank you for your contribution of \$100 as a golf hole sponsor to the 2009 14th Annual Hartford Rotary Burt Hutchison Memorial Golf Outing. The event was a great success. With your donation, the Hartford Rotary Club will be able to provide scholarships to high school students and continue to develop other community projects in the Hartford area. As an international club, we will also be able to contribute to clean water and other projects around the world.

Again, thank you for your continued support. You helped to make our event a success!

Chief Groves,

Your officers responded to my home
3 or more times, to assist my
husband "Ambrose" who had
fallen.

They were always respectful,
professional and very helpful
making sure he wasn't hurt.

I was not aware your officers
did this until the Visiting
Nurse Association told me.

I had picked him up several
times before, so this was a
big help for me.

Sincerest thanks to these
officers
