

PUBLIC WORKS COMMITTEE

March 22, 2022

6:45pm

PRESENT: Alderpersons Carroll, Fulop, Garza, Hegy

ALSO PRESENT: City Administrator Volkert, City Engineer John Griffin

Call to Order – Alderperson Hegy called the meeting to order at 6:45 p.m. in the Common Council Chambers of Hartford City Hall, 109 North Main Street.

Roll Call – All members of the Committee were present.

Public Comment Period – No public comment.

Discussion and consideration of approving an agreement for the funding of Transportation Networks Sustainability Plans for the City of Hartford and Town of Farmington with Washington County – City Engineer John Griffin explained that this agreement is going to be the City working with Washington County on a long-term capital improvement plan. There would be no monetary cost to the City, but CIP and other long term plans would be shared with Washington County and the City would work more closely with them on those projects. This agreement would also improve and increase the opportunity to utilize DOT funds when they become available. The County is working on getting more municipalities involved with this agreement. Alderperson Fulop pointed out that this agreement stretches to 2050 and asked if there was anything else in the City or County that goes that long. Mr. Griffin advised that there is not, but believes the length of the agreement is so that eventually GIS information can be shared to alleviate some of the challenges municipalities are seeing today with determining boundaries and what property belongs to which municipality.

MOTION by Alderperson Carroll, seconded by Alderperson Garza to approve an agreement for the funding of Transportation Networks Sustainability Plans for the City of Hartford and Town of Farmington with Washington County.

MOTION CARRIED UNANIMOUSLY.

Adjournment – MOTION by Alderperson Carroll, seconded by Alderperson Fulop for adjournment at 6:49p.m. MOTION CARRIED UNANIMOUSLY.

Respectfully submitted,
Lori Hetzel, City Clerk
