COMMENTS:

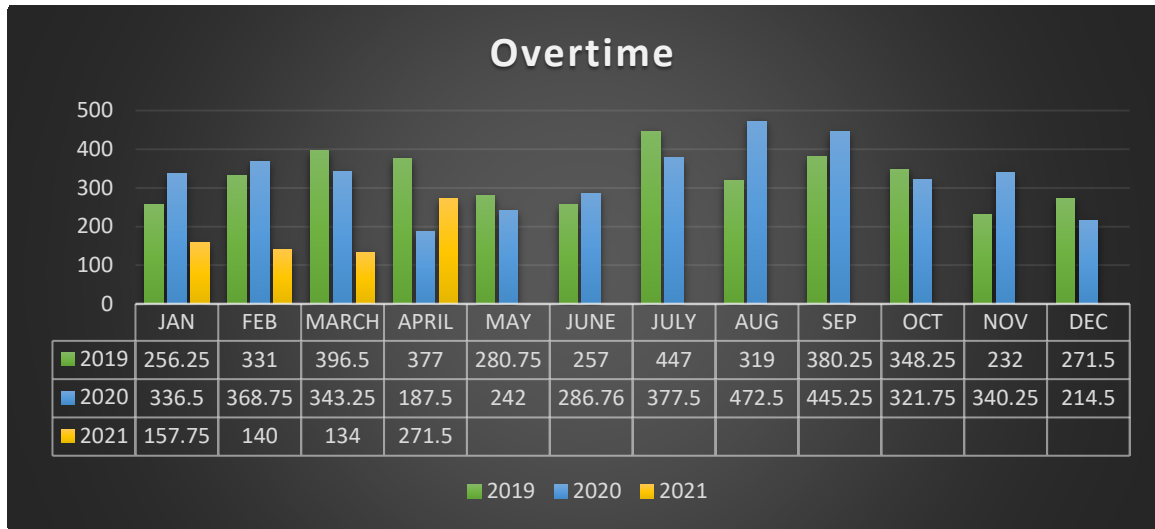

This month I worked with the Hartford Kettle Moraine Lions club to host a Drug Take Back Event. The event was held in the DPW garage and there were approximately 90 vehicles that participated in the drop off. All together, 112lbs of medications were collected. The Kettle Moraine ATV

Association approached me regarding the possible addition of small sections of ATV/UTV routes to the City that connected with recently approved ATV/UTV routes in the Hartford Township. I subsequently met with the City Administrator and City Engineer to discuss these routes. We will be presenting our recommendations to the Public Works Committee and Common Council in the near future.
