2.) CHIEF'S ACTIVITIES

- ◆ Attended various meetings
- ◆ Prepared for 2021 WILEAG reaccreditation
- ◆ Prepared 2022 Budget Documents

COMMENTS:

The Hartford Emergency Communications Center earned its reaccreditation for Project 33 (award letter below). Congratulations go to Communications Officer Laura Jossart who did all of the heavy lifting to make this happen.

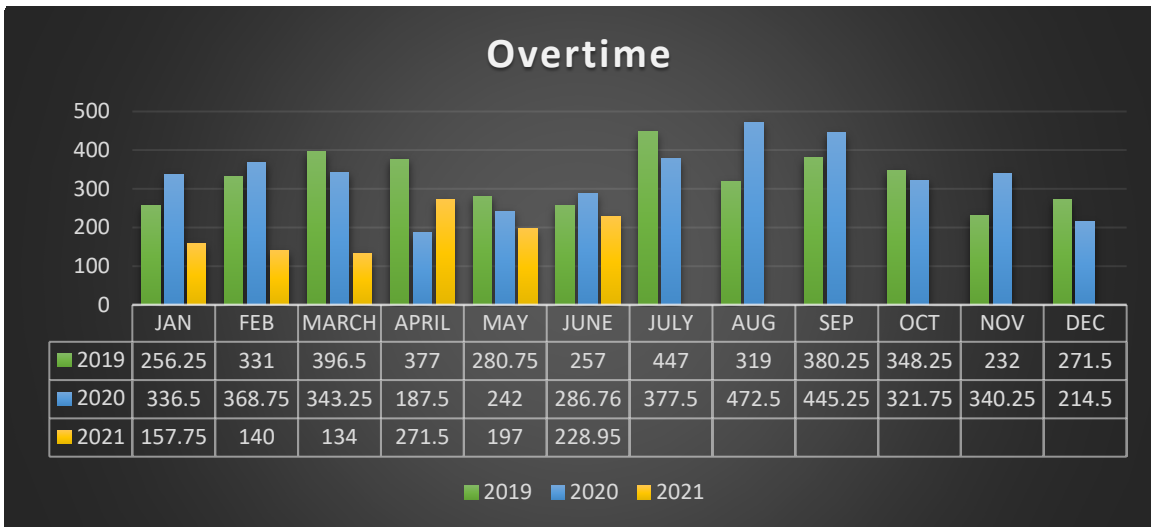

We continue to prepare for our reaccreditation. WILEAG accreditation is extremely important to us, and is a way for us to stand out amongst our peers to show we operate a professional organization that is recognized by others in our service industry.

In June we returned to 100% capacity in buildings. Other restrictions were also relaxed. It is the beginning to a return to “normal”. I am continuing the preparation of the 2022 budget. This is the second budget I have prepared and I continue to learn the process, but feel I have a better understanding of it over last year.

Dear Ms. Jossart,

Hartford Police Department recently submitted its training curriculum for APCO International's Agency Training Program Certification, a Project 33® Initiative, and a review was conducted of the materials and documents provided. The review evaluated your agency's training curriculum to ensure it provides trainees with both the required content and focuses on the demonstration of decision and psychomotor skills cited within the standards.

On behalf of APCO International and APCO's Agency Training Program Certification Committee, I am pleased to inform you that the Hartford Police Department's training curriculum has been approved and will be certified as meeting the APCO ANS 3.103.2-2015: Minimum Training Standards for Public Safety Telecommunicators and qualified to carry "APCO International's Agency Training Program Certification" designation. This certification will be valid for a period of three years and will require recertification on a three-year cycle thereafter.

Sincerely,

Margie Moulin, RPL, CPE
President
