2.) CHIEF'S ACTIVITIES

- ◆ Attended various meetings
- ◆ Prepared for 2021 WILEAG reaccreditation
- ◆ Received Budget Documents

COMMENTS:

On May 1, 2021, we went to 75% capacity in City Hall. I received budget documents for preparation of the 2022 police department budget. This is my second budget, and I am looking forward to learning more about the process. I view the budget process as a great way to show the taxpayers of the City of Hartford how I can be a good steward of their funds. My responsibility is to them, and I want to be able to provide the best service, while remaining cost conscious. We found ourselves at full staff in May with the hiring of two new police officers, Jaret Knudson, and Andrew Bahr. I anticipate approximately seven retirements in 2022, so staffing is going to take up quite a bit of resource and time. In addition to that, we are feverishly preparing for our reaccreditation. WILEAG accreditation is extremely important to us, and is a way for us to stand out amongst our peers to show we operate a professional organization that is recognized by others in our service industry.
