

Dear Chief,

I locked my keys into my car this past week and officer Corey Whipple came to assist us. It was cold out and officer Whipple ended up working on my vehicle for over 1/2 hour. He kept trying and finally got us in! He was so nice and understanding. We tried to

tip him but he wouldn't take it. I'd just wanted to write a note and make sure you knew how helpful he was!

Thanks again

Corey!

Chief Groves,

I want to extend a thank you to your Law Enforcement Explorers for conducting parking duties at the Richfield Soccer Tournament on May 31, 2014. The Explorers handled themselves in a very professional manner while conducting their parking duties. With the help of the Germantown and Hartford Police Explorers it freed up many of our volunteers for other positions that needed to be filled during the tournament. I also would like to extend a thank you to Sergeant James Zywicki for taking the time out of his weekend to help with the Explorers.

Please accept this donation on behalf of the Richfield Soccer Club for the Explorer Program. Thank you again and we hope that we can work with you again next year.

Sincerely,

Michael Anderson

The Youthball season has concluded, and I wanted to take the opportunity to thank you for supporting the program as a team sponsor. Your contribution helped keep fees down while providing team shirts to all the players and head coaches. For sponsoring a team please accept this team photo compliments of the Hartford Park & Recreation Department.

The season has been successful with over 50 teams and more than 500 kids participating in the program! There have been lots of smiles and good baseball/softball played so far.

Thank you again for your support of the youth baseball and softball players!

Sincerely,

Randy Wojtasiak

I was very impressed and grateful in your response to the 911 call at 1:30 a.m. on black Friday. You arrived quickly and handled the situation with diplomacy and thoroughness. I just want to let you know, we appreciate all of the late hours and Holidays that you have to work!

Just a little note to let you know that everything you do and everything you are is very much appreciated.
