## Welcome!

The season of Fall is about changes. Earlier sunsets, temperatures that although a bit cooler, still include many comfortable warm days, and trees with leaves turning from green into a brilliant canopy of colors for all to enjoy. I hear many people say it is their favorite season of the year and they wished it would last longer. As a park and recreation agency we also change with the seasons. This time of year we begin to focus on programs and services going from outdoor to indoor recreation. It's the time of the year when the Hartford Recreation Center featuring the Signicast Family Aquatic Center picks up with activity. This guide outlines those recreation programs which will help you transition to enjoyable indoor fun. Indoor swimming, indoor fitness center, indoor exercise classes and a wide range of programs and activities that are planned for all ages. Although you may be sad to see that enjoyable outdoor season of Fall leaving faster than you hoped, we want to brighten your mood and give you a lift with the indoor season and activities.

We hope to see you soon.

Parks and Recreation Director

## Parks Gift Catalog

The City of Hartford established the Parks Gift Catalog as a way to enhance the park system with new and/or updated items for our community's parks. The donations allow for the enhancement of the parks on a schedule that exceeds what is approved for year to year budget operations. The City will do the purchase of items in order to ensure that the specification is met for the item. Recognition will be discussed at the time of selecting an item to be gifted. The recognition of gifted items will be done when possible with a small dedication plate fixed to the item.

The full gift catalog organized by categories and the cost is available through the Hartford Parks & Recreation Department. This is only a partial list. Also, there may be ideas for new items that are not reflected in this catalog. Please contact our staff to discuss other donations you may be considering or if you'd like a full catalog.

# General Information

## • REGISTRATION POLICY

To register for a program, the Recreation Office needs a registration form signed by a parent (if program is for a minor) or the adult participant. Friends, neighbors or relatives can not register for others. Payment with the completed registration form is also needed. Registrations can be mailed in, put in the drop box outside the Recreation Center's front door, done in person during office hours, or faxed in.

## • NON-RESIDENT FEES

The Hartford Parks and Recreation Department operates by two primary financial sources - City property taxes and program/facility fees. Taxes pay for the majority of daily operations and maintenance, yearly capital projects and debts for large construction projects such as the Recreation Center. City Property Tax is paid whether or not an individual participates or uses the facilities of the Department. The non-resident fee concept is intended to apportion to non-residents an equalized fee so that they contribute to the overall financing of the Parks and Recreation Department. To clarify, a City Resident is a person who pays City of Hartford Property Taxes AND votes at the City Hall.

Annual non-resident passes can be purchased to cover the cost of the non-resident fee on programs. Passes do not cover memberships, daily fees, rentals or the Summer playground program. By purchasing this pass, a non-resident would pay the resident fee for programs. See the E-Z Registration Page for pass prices.

## • CAN I WATCH?

Please do not remain in your child's class, unless otherwise approved by the instructor. Experience has shown it is distracting to the participants and instructor. The final class may be observed by parents or other non-participants. If you wish to discuss your child's progress with the instructor, please let the office staff know. They will have the instructor contact you.

## • REFUNDS/CANCELLATIONS

- *Department Cancels Program* - Full refund will be issued. Refunds are mailed within 2-3 weeks.
- *Participant Cancels 2 Business Days Before Program Begins* - Refund less

\$5.00 service charge unless it is for a medical reason, in which case a full refund will be issued. Doctors excuse may be required. Refunds are mailed within 2-3 weeks.

- *Participant Cancels with less than 2 business days before program begins* - No Refund. If there is a medical reason, a pro-rated refund will be given. Doctors excuse may be required.
- *Participants Wishes to Change Class, Day/Time* - If there are openings in another class day/time of the same program, changes can be made with a \$5.00 transfer fee which will need to be paid before the transfer can be made.
- *Memberships*- Memberships are non-refundable.

## • INSURANCE/LIABILITY

The Hartford Parks & Recreation Department does not provide hospital/medical insurance coverage for people participating in sponsored activities and cannot assume responsibility for injury to any participants in its recreation programs. Participants are encouraged to obtain their own insurance coverage prior to the start of the program and to consult with a physician before participating in any strenuous activity.

## • WAITING TO REGISTER KILLS PROGRAMS

The program's description has a Register Before date. If the Department has not reached the minimum enrollment by that date, the program will be cancelled. Please, don't wait to register.

## • TO ERR IS HUMAN

The Parks and Recreation Department works hard to ensure each program guide is free from errors. However, there are times when errors or changes in dates, times, rates or registration information do occur. We will do everything possible to correct such errors and inform you of changes. We thank you for your understanding when these situations arise.

## • SAY CHEESE

Occasionally photographs will be taken of participants and activities and may be used for promotional purposes. If you do not wish to have your photograph taken, please convey this to the photographer and/or instructor.

## • MEDICAL INFORMATION

If there are any medical conditions the instructor should be aware of, the participant or a parent of the participant should talk to the instructor at the first class.
