

**CHAPTER 42
FORFEITURES, FEES AND CHARGES**

42.01 STATEMENT OF PURPOSES. All forfeitures, fees, charges and other fixed sources of revenue paid to the City of Hartford, and to related organizations whose budgets are reviewed and/or approved by the Common Council, shall be listed in this chapter, except special assessments and charges, utility and property tax rates set by annual budget and/or the Public Service Commission, certain recreation program and other fees and charges which change frequently due to programmatic variation, some time and material charges, and other incidental fees.

- 1) This listing is designed to provide citizens, staff and elected officials with a single reference document for most municipal charges.
- 2) The intent of this comprehensive listing is to facilitate annual review of forfeitures, fees, charges and other revenue sources, to assure that, to the extent feasible, users of specific municipal services continue to bear the cost of materials, operational costs, related outside charges to the City, staff review time, staff paperwork-related costs, and related indirect costs. To the extent feasible, reviews shall occur prior to or concurrent with the budgetary process for adoption of appropriate revisions by the Common Council effective either January 1 or July 1 of each year.
- 3) It shall be the policy of the City of Hartford that, to the extent practical, user costs not be subsidized by property taxes or otherwise shifted to non-related income sources, and that there be progressive movement toward municipal service users paying 100% of related costs. Once established, user fees are intended to remain at 100% of costs. Where feasible, cost analyses shall be prepared on occasion to determine that user fees are neither too low to recover the cost of service delivery, nor serve as a subsidy for other cost centers.

42.02 BOND SCHEDULE. (1) Standard Penalty. The range for deposit amounts for municipal ordinance violations is shown following the municipal code chapter, ordinance number, or offense description. If any offense description does not indicate a specific deposit amount, the general deposit amount for the ordinance chapter or number shall apply. The bond schedule for said violations is as follows:

42.04 WARRANT OR COMMITMENT ORDER SERVICE FEE. (1) Authority. This Ordinance is adopted pursuant to the provisions of Wis. Stats. §§ 814.70, 814.705, and 814.71.

(2) Purpose. On November 18, 2009 the Attorney General for the State of Wisconsin rendered an opinion, identified as OAG-8-09, that a municipal plaintiff is allowed to tax costs against the defendant in municipal court for actual service or execution by its municipal personnel of each warrant or commitment order issued by its municipal court in a legal action. The purpose of this Ordinance is to implement the authority recognized by the Wisconsin Statutes and the Attorney General.

(3) Service Fees. Pursuant to the provisions of Wis. Stats., §§ 814.70, 814.705 and 814.71 the City of Hartford Police Department shall charge a service fee of \$35 when the city police serve a warrant or commitment order upon a person. The person served with the warrant or commitment order shall be responsible for the payment of the warrant or commitment order service fee. The service fee may be collected as a court cost through the court.

(4) Multiple Warrants. The City of Hartford Police Department shall charge a separate fee for each warrant or commitment order served on a person.

(5) Disposition of Fees. Upon collection by the court, all warrant or commitment order service fees shall be forwarded by the court to the City Treasurer.

(6) Severability. It is hereby declared to be the legislative intent that should any provision of this Ordinance be declared invalid, illegal, unenforceable, or unconstitutional by a court of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent provision and such holding shall not affect the validity of the remaining portions of this Ordinance. Furthermore, the relevant court of competent jurisdiction is authorized to substitute for the provision at issue a valid and enforceable provision as similar as possible to the provision at issue.

(7) Implementation. All ordinances or parts of ordinances of the City inconsistent with or contrary to this Ordinance are hereby repealed. The City Clerk is authorized and directed to take all action necessary to incorporate this Ordinance into the City Code of Ordinances without further authorization.
